SURROUNDING ZONING AND LAND USE

North: R-F (Ranch Farm)/ Single-family residential
South: R-4 (Residential)/ Single-family residential
East: R-3 (Residential)/ Single-family residential
West: R-4 (Residential)/ Single-family residential

PLAN EL PASO DESIGNATION: G3, Post-War

APPLICATION DESCRIPTION

The applicant proposes to resubdivide 0.4991 acres of land into two residential lots. Access to the proposed subdivision is from San Lorenzo Avenue. This subdivision is being reviewed under the current subdivision code.

The applicant is proposing to dedicate 1' of additional right-of-way along San Lorenzo Avenue to meet their proportionate share. Furthermore, the applicant is proposing to vacate their proportionate share of the unimproved Carl Longuemare ROW.

The application is back for a reconsideration as the applicant is requesting to modify the park fees assessed to the previously approved subdivision.

CASE BACKGROUND

- On November 16, 2017 the City Plan Commission approved the applicant's request to resubdivide 0.4991 acres of land into two residential lots.
 - The City Plan Commission approved the applicant's request to waive the 5' landscape parkway along San Lorenzo Drive.

NEIGHBORHOOD INPUT

Notice of Public Hearing was published in the El Paso Times on February 7, 2018 and a notice was mailed to all property owners within 300 feet of the subject property and within the original subdivision.

DEVELOPMENT COORDINATING COMMITTEE

The Development Coordinating Committee recommends **approval** of Singh Addition Second Section Replat A on a Resubdivision Combination - Reconsideration basis.

Planning Division Recommendation

Staff recommends **approval** of Singh Addition Second Section Replat A on a Resubdivision Combination - Reconsideration basis.

Central Appraisal District

No objections.

Capital Improvement Department-Parks

We have re-reviewed Singh Addition Second Section Replat "A", a resubdivision combination plat map and on behalf of CID Parks Planning Division we offer Developer / Engineer the following "revised" comments:

Please note that this subdivision is composed of two (2) lots zoned "R-4" meeting the requirements for Single-family & Two-family dwelling use however, applicant has submitted covenants restricting the use to a Single-family dwelling for Lot 1, Block 1 and Lot 2, Block 1 will remain for Two-family dwelling use therefore, "Park fees" will be assessed in the amount of \$4,110.00 calculated as follows:

Lot 1, Block 1 (Single-family) @ \$1,370.00 per dwelling = \$1,370.00

Lot 2, Block 2 (Two-family) = 2 dwellings @ \$1,370.00 per dwelling = \$2,740.00

Total "Park fees" = \$4,110.00

Please allocate generated funds under Park Zone: MV-6

Nearest Park: SPC Adrian Garcia Park

If density/acreage is increased /decreased or the property zoning /use changes, then "Park fees" will be re-assessed based on applicable conditions.

Sun Metro

No objections. Sun Metro route 69 provides service along Carl Longuemare with a stop adjacent to the subject property at the corner of San Lorenzo and Carl Longuemare.

Planning and Inspections Department - Land Development

No objections.

El Paso Water

The El Paso Water (EPWater) does not object to this request.

Water:

There is a 6-inch diameter water main along San Lorenzo Avenue, approximately 17-feet south of the subject property. This water main is available for service.

There is a 6-inch diameter water main along Longuemare Street, approximately 5-feet west of centerline. This main is available for service.

EPWater records indicate there are one (1) 3/4" active water meter for the subject property. The address associated to the water meter 9379 San Lorenzo Avenue.

Previous water pressure reading from fire hydrant #3604 located at Southwest corner of San Lorenzo Avenue and Carl Longuemare Street, has yielded a static pressure of 100 psi, a residual pressure of 80 psi, and a discharge flow of 1,138 gallons per minute.

The owner should, for his own protection and at his own expense shall install at the discharge side of each water meter a pressure regulator, strainer and relief valve, to be set for pressure as desired by the customer. The Lot owner shall be responsible for the operation and maintenance of the water pressure regulator device.

Sanitary Sewer:

There is an existing 8-inch diameter sanitary sewer main along San Lorenzo Avenue. This main is available for service.

There is a 10-inch diameter Force main along next to Franklin Drain, approximately 15-feet north of property line. No direct service connections are allowed to this main as per the El Paso Water - Public Service Board Rules and Regulations.

General:

Each Lot requires an independent water and sewer connections.

EPWater requires a new service application to provide additional services to the property. New service applications are available at 1154 Hawkins, 3rd floor and should be made 6 to 8 weeks in advance of construction to ensure water for construction work. A site plan, utility plan, grading and drainage plans, landscaping plan, the legal description of the property and a certificate-of-compliance are required at the time of application. Service will be provided in accordance with the current EPWater – Public Service Board Rules and Regulations. The applicant is responsible for the costs of any necessary on-site and off-site extensions, relocations or adjustments of water and sanitary sewer lines and appurtenances.

TxDOT

No objections, not on TxDOT right-of-way.

No comments received.

Additional Requirements and General Comments:

1. Submit to the Planning and Inspections Department – Planning Division the following prior to recording of the subdivision.
 - a. Current certified tax certificate(s)
 - b. Current proof of ownership
 - c. Release of access document, if applicable
 - d. Set of restrictive covenants, if applicable
2. Every subdivision shall provide for postal delivery service. The subdivider shall coordinate the installation and construction with the United States Postal Service in determining the type of delivery service for the proposed subdivision. In all cases, the type and location of delivery service shall be subject to the approval of the United States Postal Service.
